

FHI NEWS UPDATE FOR 1ST QUARTER -- 2012

“All men are like grass, and all their glory is like the flowers of the field. The grass withers and the flowers fall.....” Isaiah 40:6-8

Dearest Brethren, It is a profound shock to inform you the disheartening news of the HOME CALL of our 2 key members of FHI within this time of reporting. They were:

1. Brother David M.D Quarshie,

A board member of FHI who also was a Director of Management Information Services (MIS/ICT), at the Parliament House, Ghana.

Brother Quarshie selflessly used his free time to work for FHI. At Board Meetings Quarshie profoundly contributed positively to formulate policies of the organization. He left his important office duties and offered freely to train the trainers of Cape Coast School for the Deaf Teachers to become Computer Literates when FHI in collaboration with Royal Netherlands Embassy in Ghana established Computer Laboratory for the school in 2003. He was buried on February 25, 2012

2. Mr. Gunnar E. Olsson

A Swedish Christian Businessman who led a team of 4 Christian Businessmen from International Christian Chamber of Commerce (ICCC) in Orebro, Sweden into Ghana for a fact finding in order to do business with Ghanaian Christian Businessmen and women in 1998. In fact, Brother Gunnar E. Olsson and his team were the very first donors who caused to kick start the running of Friends of the Handicapped International (FHI) in 1998.

Brother Gunnar was called to rest on the May 8, 2012. Burial on May 25, 2012.

We, therefore dedicate this quarter's Update to the honor and memory of our 2 fallen heroes, particularly to our foreign Co-Founder of FHI, and our dearest Brother-in-Christ, GUNNAR E. OLSSON.
